

FREQUENTLY ASKED QUESTIONS

Do you offer a trial before enrolling?

Yes - every student can have a free trial class. Not only does it help them decide if dance is for them, but it also enables the teacher to make an informed decision as to whether or not the class is at a suitable level / age for your child.

What should my child wear for their free trial class?

Something reasonably tight fitting and comfortable. Leggings or tracksuit bottoms are ideal with a T-shirt or sweatshirt. Bare feet are best although if trying out Tap or Street jazz then students should wear trainers. In addition, budding baby ballerinas should come along to their class with a full skirt or dress to hold so they can take part in the class fully.

Can I watch classes?

Yes – You can watch their first class to ensure that they are happy. Parents are not permitted to watch classes on a weekly basis due to DBS and Child Protection restrictions, but we offer regular opportunities to observe classes in action at the end of every term.

What happens once my child is happy in a class?

Then you will now be enrolled with us, all details needed should have already been emailed to you.
